

# Specialty Engineered Wire Forms

---

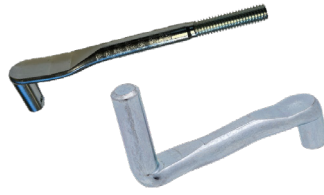

For complex wire forms and specialty bends, connect with the experts at Northern Wire in Merrill, Wisconsin. Established in 1970, the company has become one of the largest custom wire-forming companies in the country. Within the 100,000 square-foot facility our highly experienced engineering and production teams, along with advanced machining equipment, deliver innovative, cost-effective solutions for many industries.

## Cold Formed

## Welded Products

## Process Capabilities

Northern Wire is a one-stop shop for complex wire forms. We have the equipment and talent to form, fabricate, machine, cut, and assemble your product components. Our 3D CNC wire-forming machines create unparalleled precision and repeatability. We also offer 3D printing of sample parts for prototyping. Collars, heads, and extrusions can be produced almost anywhere on a part.

<b>Diameters</b>	0.125" to 1"		
<b>Lengths</b>	1/2" to 12'		
<b>Materials</b>	<ul style="list-style-type: none"><li>• 1008-1018 Carbon Steel</li><li>• 1035-1045 Carbon Steel / Cold Heading Quality Steel</li><li>• Stainless Steel</li><li>• Aluminum</li><li>• Brass</li></ul>		
<b>Finishes</b>	<ul style="list-style-type: none"><li>• F23 C - Zinc Clear per B633</li><li>• Zinc - Yellow</li><li>• Zinc - Black</li><li>• Liquid Paint</li><li>• Powder Coat</li><li>• Platisol</li></ul>		
<b>Manufacturing Processes</b>	<ul style="list-style-type: none"><li>• Chamfering</li><li>• Coining</li><li>• Collaring</li><li>• Drilling</li><li>• Extruding</li><li>• Grooving</li><li>• Knurling</li><li>• Machining</li><li>• Piercing</li><li>• Tapping</li><li>• Threading</li><li>• Welding</li><li>• 25 Presses with a Capacity of 10 to 600 Tons to Flatten, Punch &amp; Stake</li></ul>		
<b>Certifications &amp; Compliance</b>	<ul style="list-style-type: none"><li>• ISO 9001:2015</li><li>• QSLM Class 2</li><li>• Tools Calibrated &amp; Traceable to NIST</li></ul>		

## Markets Served

- Aerospace
- Agriculture
- Appliances
- Construction
- Consumer Goods
- Energy
- Industrial
- Lawn & Garden
- Medical
- Power Equipment
