

Ideal Fasteners

Delivering Quality, Reliability & Service For Over 50 Years

Ideal Fasteners manufactures socket caps, button sockets, flat socket caps, and custom externally threaded fasteners for a variety of industries. We are a licensed manufacturer of TORX® Drive, TORX PLUS®, and TORQ-SET® with a variety of head configurations, drives, and recesses.

We specialize in quick delivery of stock and standard parts but can also accommodate a variety of customizations for completely unique fastener products.

Products & Process Capabilities

At Ideal Fasteners, we're serious about providing quality products which consistently meet or exceed quality and performance standards even in the most extreme conditions. That's why we maintain the highest level of accreditations for both ISO and DISC QSLM and are FQA Compliant. Our team works with you, delivering quality assurance and service on every order, no matter the size. From 50 pieces to a million, we're here to ensure you get the best fasteners for your needs with lot traceability to original mill certification.
